## THE STONE TRUER THAN NATURE

*A*

RTISANALLY MADE, Syno-Pierre® reproduces with perfection the stone of the area of Saint-Emilion (Gironde, France). Syno-Pierre expresses with accuracy its original texture and its most various colours. Syno-Pierre offers as many varieties as the genuine stone regarding dimension, touch or aspect.

**Light : 12 kg/m<sup>2</sup>**

**Thin : less than  
10 mm thickness**

Syno-Pierre has obtained the "Label Vert" (Green Label) certificate from the Excell laboratories (Environment of wine Storehouses).

**Does not burn**

**Does not freeze**

**Resists to abrasion**
